

# MEDIA ALERT

FOR IMMEDIATE RELEASE

GLASGOW – The [Youth Climate Report](#), a partner program of the United Nations Framework Convention on Climate Change since 2011, will hold a press conference **Wednesday, November 3 at 08:45** in PC2 Durdle Door, East Lomond Suite.

The press conference will present a series of short films representing those made this year from around the world, including four made by Indigenous youth showcasing the impacts of climate change in their Arctic communities.

The press conference will also announce the COP26 premiere of YCR's feature documentary film, [The Changing Face of Iceland](#), made by 20 students from five universities in Canada, the US, and Australia. The COP26 screening will take place on **Thursday, November 5 at 16:00** in the Blue Zone: Davos Room (Action Room 1).

**WHAT:** PRESS CONFERENCE: Youth Climate Report  
Showcasing highlights from its 2021 workshops and competitions:

- The Planetary Health Film Lab (Canada)
- The #NextGen Video Challenge (Singapore)
- Young Reporters for the Environment (Copenhagen)

**WHEN:** Wednesday, November 3, 2021 – 08:45

**WHERE:** Press Conference Room 2 (PC2) Durdle Door, East Lomond Suite.  
Scottish Event Campus (SEC), Glasgow.

**WHO:** Speaker: Mark Terry, Executive Director, Youth Climate Report
